<i>Possible contamination in school environment.</i>	Pupils, staff, visitors, and the public becoming infected with COVID-19:	<i>Face coverings will be worn by staff and adults (including visitors) when moving around in corridors and communal areas. Hand sanitiser to be available at reception for visitors to use on arrival before signing in. Ventilation is to be maintained either by mechanical ventilation adjusted to increase the ventilation rate where possible, and natural ventilation (fresh air) by opening windows. During occupied times, windows should be opened enough to provide background ventilation, during unoccupied times (during the school day) windows should be fully opened. Internal and external doors can be kept open to assist as this will increase ventilation.</i>	Ensure adequate supply of face coverings available for use by staff and visitors. Update communication with school community on wearing of face coverings and implement signage. If staff currently share desks, a cleaning regime will be used to sanitise desks between "shifts"	<i>All relevant staff</i>
